I hereby accept that Nordic Health Care procures information about the state of my health with a view to obtaining the information necessary for the evaluation of the insurance event and for the assessment of the claim. My acceptance solely comprises medical reports from the date on which the policy came into force and until the final assessment date of the benefit. When supplementary medical records are issued by physicians, a special declaration is used, supplemented - at Nordic Health Care's request - with a copy or an extract of relevant case records.

The reports can be procured from authorised persons within the health care sector, hospitals and health care institutions, public authorities and insurance companies / pension funds. Other insurance companies, pension funds, and other authorised persons within the health care sector, involved in the case, are allowed to become acquainted with the medical records procured.
